PRODUCT DISCONTINUATION NOTICE

September 2, 2026

Product Category	Product Line(s) Affected	Change category
Europa and KL16 Terminal Strips	Europa Strips KL16 Terminal Strips	Discontinuation

Dear Valued Partner,

As part of our ongoing efforts to innovate and refine our product offerings, we regularly review and update our portfolio. While many of our products serve reliably over long life cycles, continuous advancements inevitably lead to the phasing out of certain models.

Wieland Electric would like to inform you of a product discontinuation notice for our **Europa and KL16 Terminal Strip portfolio.**

Please refer to the attached list for the affected part numbers and product descriptions.

This decision has been made as part of a strategic portfolio alignment, ensuring that our resources are focused on core technologies where we can deliver the highest value, performance, and long-term reliability to our customers.

Last Time Order	Final Delivery Date
September 30, 2026	December 31, 2027

2027While there is no direct replacements for these products, you may want to consider the use of WTN Mini DIN rail-mounted terminals which can offer similar functionality. Please reach out to Wieland for details on this option or build your own assembly in our selosPLAN online configurator.

We appreciate your understanding and continued trust in our products and services. Should you have any questions or require support during this transition, please do not hesitate to reach out to your local representative.

Contact Info: Technical.support@wieland-electric.com or contact your dedicated Regional Sales Manager or Customer Service Representative.

Thank you,

Wieland Electric

Recipients of this Product Discontinuation Notice (PDN) are requested to acknowledge receipt within thirty (30) days of delivery. Notwithstanding any failure to acknowledge, the product change and its corresponding effective date shall remain valid and enforceable as stated herein.
