PRODUCT CHANGE **NOTIFICATION**

RESISTORS

Select Bourns® Chip Resistor Models

Manufacturing Location Change

Riverside, California – October 23, 2026 – To accommodate increasing production demand and in the spirit of continuous improvement, effective February 1st, 2027, Bourns is transferring production of select chip resistor models to a new manufacturing location in Taiwan. A list of affected part numbers is provided on the pages following this notice.

Model Series affected by this PCN are: CRM-LF, CRS-LF, CHV-LF, CHP-LF, CMP-LF, CWM-Q-LF, CRM-Q-LF, CRS-Q-LF, CHV-A-LF, CHP-Q-LF, CMP-Q-LF, CRN-PF, CRM-A-LF, CRS-A-LF, CHV-ST, CHP-A-LF

The receiving facility already manufactures similar resistor technologies. This transfer supports the consolidation of related operations, improved resource utilization, and long-term manufacturing stability.

Following equipment installation and the commencement of production at the new location, Bourns will conduct a comprehensive VDA 6.3 process audit to verify compliance with established quality and manufacturing standards. Product design, materials, specifications, form, fit, and function will remain unchanged. Country of origin will remain unchanged. Existing equipment, manufacturing processes, and established quality standards will be maintained throughout the transition to ensure product consistency and continuity. Quality and reliability should remain unchanged.

Product traceability will continue to be maintained through the existing date code system.

Samples are available upon request. Bourns recommends that customers test the affected part numbers in their specific applications for verification of satisfactory performance.

All existing backlog and accepted purchase orders as of the date of this notice shall be fulfilled from the current location.

Starting on November 20, 2026, new purchase orders for the affected part numbers will be planned for fulfillment from the new manufacturing location. Where capacity permits, Bourns may, at its discretion, fulfill such new purchase orders from the current manufacturing location until the transition to the new manufacturing location is completed.

Implementation dates are as follows:

Date that manufacture of the affected part numbers at the current manufacturing location will cease: ***February 1, 2027***
Date that manufacture of the affected part numbers at the new location will begin: ***July 12, 2027***
First date code using the above changes: ***2728***

If you have any questions or need additional information, please feel free to contact Customer Service/Inside Sales.

Users should verify that the described changes will not impact the performance of the product in their specific applications.
