6 Pin

Dimensions : Millimetres

Specifications:

Current rating Voltage rating Maximum contact resistance Minimum insulation resistance Withstanding voltage Operating temperature **Materials:** Insulator Insulator Insulator colour Contact Finish

- : 5.0A ac/dc.
- : 250V ac/dc.
- : 10mΩ.
- : 1000MΩ.
- : 1500V ac/minute.
- : -25°C to +105°C.

: High temperature plastic (nylon 46).

- : Black.
- : Copper alloy.
- : Tin plated.
