

NETGEAR®

Connect with Innovation™

Universal Wi-Fi Internet Adapter

WNCE2001

PRODUCT OVERVIEW

Wireless Connectivity—Wirelessly connect notebooks and wireless printers as well as networked home theater devices

Universal—works with any network-enabled device. No need to buy a Wi-Fi adapter that only works with one type of device

Avoid long stringing cables. Freedom to place your home entertainment center anywhere and still connect to the Internet

Option to power by USB port means no exposed wire hanging from the TV

THE NETGEAR DIFFERENCE - WNCE2001

- ✓ Universal compatibility
- ✓ CD-less, wireless installation

This product is packaged with a limited warranty, the acceptance of which is a condition of sale.

*Basic technical support provided for 90 days from date of purchase.

†Maximum wireless signal rate derived from IEEE standard 802.11 specifications. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate. NETGEAR makes no express or implied representations or warranties about this product's compatibility with any future standards.

‡“N”, “Wireless-N” and “802.11n” refer to compliance with IEEE 802.11n specification version 2.0 only.
