Product Description

EVERBUILD Brush Cleaner is a thin solvent based liquid which removes wet paint quickly and effectively from brushes, rollers and pads. Works on emulsion, gloss and vanish and is water washable.

Benefits

- Cleans up with water
- Contains conditioner to prolong brush life.
- Works on most common paint types.

Limitations

- Use only as directed
- Store in original container.
- Do not allow to come into contact with plastics, textiles, floor coverings or bitumen.
- Not suitable for cellulose paints.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

Application

Pour brush cleaner into a suitable jar. Immerse brushes and work liquid well into the bristles. Rinse brushes in clean cold water. For pads and rollers pour product into a suitable tray and work well into sleeve or pad. Rinse in cold water.

Health & Safety

Flammable. Use only in well ventilated areas. Keep away from sources of ignition. Wear suitable eye/face protection and protective gloves. If contact with eyes occurs wash thoroughly with water and seek medical advice. Wash splashes off skin with warm soapy water. For full list of hazards consult MSDS.

Storage

Store in cool dry conditions away from direct sunlight and sources of ignition between 5-20°C Store in original container. Keep out or reach of children. Do not allow to enter watercourses. Avoid release into the environment.

Shelf Life

Indefinite in original unopened containers.
