Colour	Product Code	Pack Size	Box Qty
-	PASTE5	5 Roll	25
-	PASTE10	10 Roll	12
-	PASTE20	30 Roll	24

Product Description

EVERBUILD All purpose wallpaper adhesive powder is a powdered adhesive, which when mixed with water is suitable for hanging all types of wallcoverings including sculptured, blown and textured vinyl, washable and heavily embossed wallpaper. This product is also suitable for fixing polystyrene tiles.

Benefits

- Easy mix formula.
- Contains a powerful fungicide to prevent mould growth whilst drying.
- Works on most common wallcoverings.
- High initial tack combined with east maneuverability.

Limitations

- Use only as directed
- Store in original container.
- Dispose of product and packaging correctly.
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

Application

Always follow wallpaper manufacturers instructions for hanging. The mixing ratio of powder to water depends on the type of wallcovering to be hung. See table below. Add 1 sachet of water to the desired amount of water. Stir briskly until the solution starts to thicken. Leave to stand for 3 minutes then re-stir. Apply paste to reverse of paper ensuring complete coverage.

MIXING RATIOS/COVERAGE. The information given below is per individual sachet of paste powder:

TYPE OF COVERING	QUANTITY OF WATER	APPROXIMATE COVERAGE
For sizing	16 pints	300 sq. feet.
Lightweight papers (including woodchip and lining paper)	12 pints	8 -10 rolls.
Washable papers and lightweight vinyl's.	10 pints	8 rolls
Heavyweight vinyl's e.g. Frescos, Tile on a Roll.	8 pints	6 rolls
Embossed papers e.g. Anaglypta	8 pints	3 - 4 rolls
Heavy embossed papers, e.g. Sypaglypta and luxury whites	7 pints	2 – 4 rolls
Polystyrene tiles	6 2/3 pints	150 sq feet.

Health & Safety

Contains a fungicide. Keep out of reach of children. Do not breathe dust. Do not ingest. Avoid contact with eyes. Wear suitable protective gloves. In case of contact with eyes rinse thoroughly with water and seek medical advice. Wash splashes from skin with warm soapy water. If swallowed seek medical advice and show label where possible.

Storage

Store in cool dry conditions away from moisture and sunlight.

Shelf Life

Indefinite in original unopened containers.
