

TURPS SUBSTITUTE

Colour	Product Code	Pack Size	Box Qty
-	TS7	750ml	12
-	TS2	2Ltr	8

Product Description

EVERBUILD Turps Substitute is a solvent designed for cleaning of paintbrushes and rollers prior to and after use with paints and varnishes. Also for use as a general household cleaner/degreaser.

Benefits

- Available in handy size 750ml bottle or 2 litre packs.
- Cleans a variety of paints, varnishes and grease.

Limitations

- Always replace cap after use.
- Do not use on bitumen, asphalt or sensitive surfaces.
- Do not allow to enter watercourses.

Application

As a cleaner – always use product in a non-plastic dish or jar. Apply with a cloth as desired. Wash affected area with warm soapy water after use. Always test a small inconspicuous area prior to full application.

Health & Safety

Consult MSDS for full list of hazards.

Storage

Store in cool dry conditions away from direct sunlight between 5 and 20°C. Store in original containers and out of reach of children. Dispose of product and packaging correctly.

Shelf Life

Indefinite in original unopened containers.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.
