

## **Samsung Ch@t – GT-E2222**

Stay in touch wherever you are! Samsung's Ch@t222 comes with DUOS so users can access dual SIM cards for more convenient calling, better savings and better network coverage. It comes with all the social tools you'll need to connect with friends, such as Facebook, Twitter, Push IM and email! Socialize on the go, and entertain yourself, too, with your favorite music or fun games you can download from Samsung Apps!

Enjoy double the connectivity with DUOS! Samsung's Ch@t222 has access to 2 SIM cards at the same time, letting you easily separate your personal life from your work life. You can also enjoy more advantageous roaming fees and better network coverage when traveling. DUOS gives you all the conveniences of two mobiles with one handy mobile

Staying social does not mean staying put! Samsung's Ch@t222 lets you keep in touch with friends, family and business associates through popular social networking methods, instant messaging programs, and email - all on the go via your mobile phone. Email accounts can be set up easily so you check for urgent email without needing a PC!

Always on hand to entertain you, Samsung's Ch@t222 comes with fun options for downtime at work, while commuting, on weekends or any other free time. Listen to your favorite tunes without needing a separate music player! This mobile even comes with a 3.5mm ear jack so you can use your favorite earphones without needing an adaptor! And with Samsung Apps, you can download a variety of entertaining apps from fun games to lifestyle apps to fill up your free time!
