

# The new dimension in measurement: Functionality, easy handling

## **NEW! GLM 150 Professional**

The 150-m laser rangefinder for indoor use  
for professionals from professionals

# **BOSCH**

Invented for life

# GLM 150 Professional

More functionality and convenience  
for indoor work

## 150 m measurement performance

due to large glass lens

## Illuminated display

Large, concise  
4-line display

## IP54: dust and splash protection

for the complete tool  
including battery compartment

## Multifunctional measurement pin

for precise measurement from  
hard-to-reach areas and edges

## Maximum precision

over the entire lifetime due to  
tough ceramic optics carrier

## Minimum/maximum function

can be combined with other  
measurements

## Storage of the last 30 measurements

## 5 new functions for faster and accurate working:

Double Pythagoras for convenient tripod measurements and height calculations in hard-to-reach areas

Combined Pythagoras for partial height measurement

Trapezium function for measuring roof slopes

Timer function for high-precision measurement with a tripod and from difficult measuring points

Stake-out function for marking repetitive distances

	GLM 150 Professional
Measurement range	0.05–150 m
Measurement accuracy	± 1.0 mm
Battery lifetime, approx.	
- Individual measurements	30.000
- Continuous measurement	5 h
Dust and splash protection	IP 54
Dimensions	66 mm x 120 mm x 37 mm
Weight	0.24 kg
Part number	0 601 072 070
