

Agilent Advantage Services

Advantage Pack

Extend your coverage and get priority repair service *

Reduce downtime and hassles with the fastest repair service in the industry

- Extend your warranty for two years when you buy equipment and enjoy expedited repair service for the entire term
- Get repaired or replaced equipment back within 3 to 5 days typically
- Receive priority scheduling in our service centers
- Receive prioritized return shipping of repaired equipment
- Enjoy the convenience of service without the need to wait for quotes or purchase order approvals

Lower your costs by purchasing two years of additional service in advance

- Include repair as part of your equipment capital expense at purchase
- Avoid unplanned expenses and enjoy price protection against inflation for up to five years
- Spend significantly less compared to per-incident costs for repairs
- Save by paying for a warranty that ensures fast repairs rather than buying backup equipment

Maintain high productivity with expert service only the OEM can provide

- Receive full calibrations plus calibration certificates and test data after any repair
- Eliminate out-of-tolerance conditions found when non-Agilent service providers perform repairs
- Feel confident in measurement integrity with repairs that restore equipment to original functionality and performance

** If you purchased your instrument from a distributor, you must register to receive priority service.*
