# AkroBins®
storage bins, racks & hanging systems

- Control inventories, shorten assembly times and minimize parts handling
- Heavy-duty bins securely stack atop each other, sit on shelving and hang from Akro-Mils racks, panels, rails and carts
- Molded of high-impact polypropylene, AkroBins are unaffected by weak acids and alkalis
- Products made of polypropylene block copolymer are autoclavable up to 250° F
- Sturdy, one-piece construction is water, rust and corrosion-proof
- Guaranteed not to crack or break under normal load conditions as stated in our 1-year limited warranty
- Available in 14 sizes and **7 colors:** Red, Yellow, Blue, Stone, Green, Semi-Clear and Black

accessories

"See-through" Crystal Styrene Lids keep contents dust-free and protected

Lengthwise Dividers keep items separated in the bin

30320 Wide AkroBins: **Dividers** available in two sizes

E F D A B C

33″ Wide AkroBin

Great Lengths to Organize More Efficiently

- 1 to 8 compartments, depending on divider placement
- Optional lid sold separately
- 2½″ and 4″ dividers available (comes with two 4″ dividers)
- Fits on standard Akro-Mils rail, louvered and 36″ shelf systems
- Reinforced sides for secure stacking
30320 33″ Wide AkroBin with Optional Lid
features

Anti-slide stop prevents stacked bins from shifting forward

Full-width hanger lip supports bin on hanging system

Reinforced side ribs add strength and prevent spreading when stacked

Extra-wide stacking ledge saves space and prevents spills

Large front label area for easy coding and scanning

Curved-bottom hopper front makes it easy to retrieve small parts

Dividers allow you to create customizable compartment sizes

ProHANGER®
storage bins, racks & hanging systems

- ProHANGERs can be placed side-by-side on walls, rail rack or panel systems to support extra-long parts, supplies or materials
- Unique "J-hook design" cradles various shapes and sizes of contents
- Available End Cap inserts keep items from sliding out
- One-piece construction; molded of high-impact plastic for durability
- Each ProHANGER is capable of supporting up to 75 lbs.

Easy Long Parts Storage
Wherever You Need It!

- ProHANGER can be used alone or with a variety of Akro-Mils products, including a wide range of AkroBins®
- ProHANGER can even be mounted (using Louvered Hanging System) in service trucks for maintenance workers, plumbers, electricians, carpenters or other tradespeople

features

Smooth surface protects suspended parts or products
End Caps help keep items contained and fit easily into molded-in slots

Full-width hanger lip supports ProHANGER on hanging systems

Notches provided in hanger lip for mounting to wall surface with screws

Substantial ribbing in base gives added strength to support heavier items

Rail Hanging Systems
storage bins, racks & hanging systems

- Rail Hanging Systems allow for fast, easy organization and parts retrieval
- Single-sided rail units are ideal for placement against a wall to save space
- Double-sided rail units can "float" in any room environment and be picked from both sides
- Mobile Kit available to mobilize two-sided racks
- Steel rail is ideal for workstations
- AkroBins sold separately
features

Rails securely support AkroBins

Heavy-duty steel for strength and durability

Attractive, durable powder-coated finish stands up to heavy-duty use

Louvered Hanging Systems

storage bins, racks & hanging systems

- Louvered Hanging Systems allow for easy placement and configuration of AkroBins*
- Wall-mounted units keep items out of the way, off the floor and off the work table
- Floor standing racks can be placed near work areas to improve productivity
- Single-sided floor racks can be placed against wall to save floor space
- Double-sided units allow for picking from both sides
- Bench racks are used on work tables to keep parts within easy reach
- 11 different models available – accommodates up to 288 AkroBins
- Easy, one-person assembly

*AkroBins sold separately, see pg. 4-6

Shelf Bins
## storage bins, racks & hanging systems

features

Wide hopper front allows easy access

Built-in rear hanglock allows bin to tilt out for complete access
Molded-in label area identifies contents

accessories

Dividers create additional storage compartments. Each Bin accepts up to 7 dividers (except 30110)

Extended Label Holders are designed for larger bar code scanning

Bin Cups lift out easily for parts retrieval (see chart)

- Shelf Bins outlast corrugated bins – paying for themselves in reduced replacement costs
- Superior construction allows Shelf Bins to be fully loaded without spreading or cracking
- Durable polypropylene bins provide an attractive, neat appearance
- Works with 12″, 18″ and 24″ deep shelving or vertical storage and retrieval units
- One-piece construction is waterproof and unaffected by grease or oil
- Available in 13 sizes and 5 colors: Red, Yellow, Blue, Green and White

AkroDrawers™

storage bins, racks & hanging systems

- Available in five convenient sizes and five colors – including Crystal Clear – which keeps AkroDrawer contents highly visible!
- Colors made of high-impact polystyrene
- Crystal Clear made of durable acrylic blend
- Offered in 12″ or 18″ depths to work with compatible shelving
- Easy to label and color code inventory for quick identification of parts and supplies
- Drawers can be stacked to optimize space
- Wide front handle for easy gripping when AkroDrawers are loaded or contain heavy contents
- Dividers available to keep contents neatly separated in drawers
- Colors: Crystal Clear, Red, Blue, Yellow and Gray

AkroDrawers™

AkroDrawers
Cover, Store, Protect & More!

- Designed for use in a variety of environments – from industrial to healthcare to other applications, AkroDrawers will help keep supplies, parts, tools and other materials secure and dust-free.
- Can be used with available shelving, racks, mobile carts or can be used by themselves

features

Sturdy backstop tab ensures AkroDrawers can hang securely from shelves

Features a wide front handle for easy gripping when full or filled with heavy contents

12" & 18" Enclosed Steel Shelving Systems

storage bins, racks & hanging systems

- Steel shelving will accommodate new 12″ and 18″ AkroDrawers
- Manufactured from high-grade, 22-gauge steel with powder-coated finish
- Can be ordered independently or purchased with AkroDrawers for a complete system
- Closed back and sides keep drawers contained to one side of shelves and further eliminate dust and debris
- Drawers can hang securely in place from shelves by sturdy backstop tab
- Easy to assemble using shelf clips
- Each shelving system can hold up to a maximum of 8,500 lbs.
    - 12″ x 36″ shelf holds 500 lbs.
    - 18″ x 36″ shelf holds 550 lbs.
- Color: Gray

ASC1279AST

Pick Racks

- Angled shelves keep parts and supplies at the front of AkroDrawers for easy access
- Improve workspace organization and efficiency
- 16-gauge steel construction
- Durable powder-coated finish
- Weight capacity: 400 lbs. Single-Sided; Up to 800 lbs. Double-Sided
- Color: Gray

BinTelligence™ Series: Indicator™

storage bins, racks & hanging systems

Indicator Stock, Pick, Flip & Replenish

STOCK the Indicator Bin using the divider to designate volume for the inventory reserve.

PICK from the blue side of the bin until you reach the divider.

FLIP the bin to the orange reserve to indicate inventory levels are low.

**REPLENISH** the bin and repeat!

NEW product!

Indicator™ Bins – Effective inventory control at a glance!

The Indicator Bin simplifies visual recognition when supplies need to be replenished. An innovative, low-cost alternative to high-end inventory control systems!

- Easy organization of supplies and work-in-process
- Reduces excess inventory
- Width dividers used for orange reserve to prevent stock-outs and assembly line interruptions
- Works with 14″ wire shelving, 12″ steel shelving or with pick rack systems

Pick Rack Systems
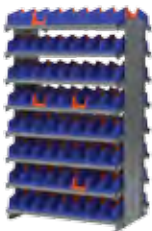

- Available as single-sided or double-sided
- Angled shelves keep parts at the front of bins for easy access
- 16-gauge steel construction
- 400-800 lb. weight cap.
- See page 15 for bin quantity

Steel Shelving Systems

- Manufactured from high-grade, 22-gauge steel with a powder-coated finish
- Easy assembly
- Holds (96) 36442BLUE bins and (60) 36462BLUE bins
- 500 lb. weight capacity per shelf, up to 8,500 lbs.

Wire Shelving Systems
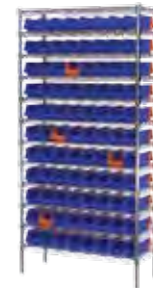

- Constructed from steel with a chrome finish for durability and strength
- Open wire design minimizes dust collection and improves visibility
- Holds (88) 36442BLUE bins and (55) 36462BLUE bins
- 2,000 lb. max. weight capacity per unit

features
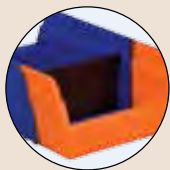

|				
Bright orange trigger color used in Lean and 5S initiatives	Innovative double hopper bin can be filled or picked from both sides	Large label area on both sides for part identification or bar code scanning	Rolled ridge provides added strength and durability	Width dividers used for orange reserve to prevent stock-outs and assembly line interruptions

VantageBin™

storage bins, racks & hanging systems

VantageBin™

# Efficient Organization with Customizable Storage

Dividable VantageBin™

- Sturdy bin holds dovetailed dividers to customize compartments
- Fits on standard 24″ deep or wide shelving and counters
- Bins nest when empty to conserve storage space
- 24″ x 5½″ x 7″ bin is dividable in up to 10 sections
- Sturdy polypropylene construction
- Available in two colors: White and Gray
- Longer and taller than VantageBin
- 9 divider positions per bin

VantageBin™

- Molded-in V-groove bottom keeps items upright and prevents them from sliding without dividers
- Bins nest when empty to conserve storage space
- Durable, injection-molded polypropylene construction
- Quick, easy access and identification when organizing envelopes, bags, jewel cases, photographs and more
- Ideal for retail and material handling as well as home and office storage applications
- Available in three colors: White, Gray and Yellow

features

Corner ribs prevent jamming when nested

Rolled rim for added strength and durability

Dovetailed design securely locks dividers in, maintaining bin shape under heavy loads

Molded-in V-grooves on the VantageBin create non-slip surface on inside bottom

Easy Flow Gravity Hopper

storage bins, racks & hanging systems

A Unique Way to **Improve Workflow!**

- Unique hopper provides exceptional product storage, while saving space through a compact vertical design
- Large, angled top opening allows easy filling, whether used on the Gravity Hopper Floor Rack or on a work platform
- Generous picking area provides easy access to the loaded product, while keeping it neatly contained and sorted
- Great for: fasteners, assembly areas, kanban, inventory stock, merchandise and work cells
- 31620 – 50 lb. capacity, 31625 – 75 lbs. capacity per hopper
- Rotational-molded for strength and durability – LLDPE
- Allows for proper lot rotation

New Size!

31620 BLUE

31620 – New smaller size option
- First-In-First-Out (FIFO) sliding divider shelf‡ helps eliminate waste and spoilage of product
