BAMBOO APPS

Download a collection of free and fun Bamboo apps. Jot down your thoughts, create exciting artwork, play cool games and share your creative ideas with friends.

EDIT

Retouch pictures, refine your design and pimp your pics in your own special style. Easy, natural & precise.

MULTI-TOUCH

Use your fingers to navigate on your PC or Mac. Scroll through documents, surf the web, rotate or flick through photo galleries. Enjoy natural control with nothing but multi-touch gestures.

DRAW

Get that natural pen-on-paper feeling as you let your ideas flow right onto the page. Turn fantasy into reality as you sketch, draw and doodle with the pen – made for maximum expression.

MARK

Use the pen to add your personal touch – write notes on documents (e.g. in MS Office) or sign e-mails. Make an impact online by making your blogs or digital content stand out from others.

PAINT

Turn your PC into a digital canvas and your Bamboo pen into a multi-purpose paintbrush. Choose your favourite colour and technique (airbrush, oil, chalk, and more) to create your masterpiece. (medium)

FREE SOFTWARE INCLUDED
