

WMRP – MS.

Part No. T0052919299.

Description.

A miniature soldering pencil that uses plug in solder tips with an integral heater and meets the requirements of the MIL Spec 2000

Voltage, 12V 50 Hz.

Rating, 40 / 55 W dependant on the soldering iron tip.

Tip to ground voltage, less than 2mV.

Tip to ground impedance, less than 2 ohm.

WMRP-MS must be used with RT –MS series tips and WD1 M/ WX1 / WX2 / WR3 M power units
