

TECHNICAL DATA SHEET

HEAVY DUTY CLEANER DEGREASER

1. Introduction

3-IN-ONE *professional* Heavy Duty Cleaner Degreaser is a medium to heavy duty foam cleaner and degreaser designed to clean and emulsify a wide range of inorganic soils, and organic greases and oils.

2. Where to use

On all porous and impervious substrates to remove greases, oils, food stains, and general dirt and grime.

3. Where not to use

- On live electrical equipment. Always ensure that aerosol vapours are removed or allowed to dissipate fully prior to re-use.

4. Benefits

- Foaming properties ensure minimum saturation of porous substrates.
- Pleasant citrus fragrance.
- Water rinsable for easy use.
- Dual purpose action, i.e. capable of dissolving organic soils and capable of lifting and emulsifying inorganic soils.

5. Physical properties

Appearance	Cloudy off-white aerosol foam with a mild citrus odour
pH	10 - 12
Specific Gravity	0.97 [Base component]
Non Volatiles % m/m	1 - 5
Active Content % m/m	85 - 95
Flammability	Extremely flammable, flash point below -20°C
Composition Data, descriptive	A weak aqueous emulsion of a blend of anionic and non-ionic surfactants, fluorinated soil anti redeposition agent, alcohol, aliphatic, and oxygenated solvents

6. Application Details

Spray liberally from a distance of 25-30cm, and agitate with a dry brush, sponge, cloth or equivalent, and remove with a damp cloth.

7. Pack Sizes

500ml Aerosol

This information is provided in good faith based upon data and sources believed to be reliable and correct. Conditions of use, outside the control of the Company, dictate that no responsibility can be assumed for the ultimate performance of this product.
