

Dazzle® Video Creator Platinum HD

Save, Enhance, and Share Video

Dazzle Video Creator Platinum HD combines a high-quality video capture device with easy-to-use Pinnacle Studio HD v.15 video editing software and Hollywood FX Volumes 1-3. It's never been simpler or faster to impress your friends and family with great looking videos—anytime, anywhere. Quickly import videos and photos—then edit scenes and add professional polish with over 1000 unique, professional-level transitions and effects. Share your masterpiece directly on the web with one-click uploading to YouTube™, or easily transfer your video to a variety of devices. The unique new Archive and Restore tool conveniently preserves your work.

Quickly import photos and videos

The included high-quality video capture device makes it easy to import standard-definition video from a variety of analog sources. You can also edit HD video from an HD camcorder.

Turn home movies into DVDs

Protect your priceless home video memories by transferring them to DVD—then share them with friends and family.

Be the director

Pinnacle Studio HD v.15 software helps you bring your creative vision to life—complete with over 1000 unique, professional-level transitions and effects included in Hollywood FX Volumes 1-3.

Make your movies stand out—instantly

Easily create distinctive looks with over 130 included Montage templates featuring animations, multi-layer effects, transitions, and titles designed by professional producers and artists.

Sharing options as limitless as your creativity

Save your masterpiece straight to DVD, upload directly to YouTube in HD, or output to Flash, DivX Plus HD, QuickTime, PS3, Nintendo Wii, Xbox, and more.

Includes:

- **Dazzle USB video capture device** > *Capture directly from analog sources, including VCRs, gaming consoles and video cameras*
- **Pinnacle Studio HD v.15 software** > *Make and share great HD movies easily*
