More information

- High grab general purpose foam tape for mid-range performance applications.
- Plain white paper liner - keeps adhesive clean and avoids tape sticking to itself.
- Tape dimensions - 19mm x 66m.
- Colour white.
- Sold as single roll.

3M Double-Coated (Double Sided) Foam tapes are excellent for applications where 'gap-filling' properties to often uneven surfaces are required. Suitable for a number of indoor and outdoor applications including signs, nameplates, plaques, decorative trim and in electrical and electronic applications.
