For use with TO-220 packages

Printer friendly version

Part Number - 531002B02500G

RoHS Compliant

Product Change Notice

Mechanical Outline Drawing

A Dim 25.40

Thermal Curves

Thermal Resistance	13.40
---------------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
531002B02500G	Extruded heat sink with radial fins and notched base and solderable pins	Black Anodize	View Hole Dimensions
This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
