

# ARTWORK AIDS

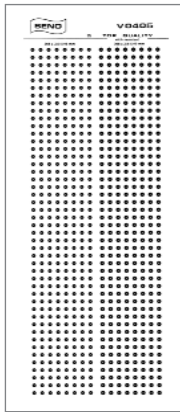

A range of the highest quality etch transfers for preparing PCB layouts. Circuits are prepared by rubbing down the transfers onto drafting film. The etch resist nature of the transfers means they may also be rubbed directly onto copper clad boards. Sheet size 255 x 90mm.

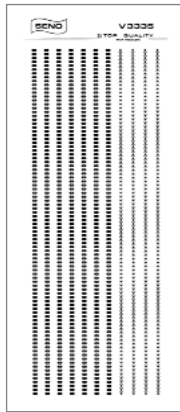

V180

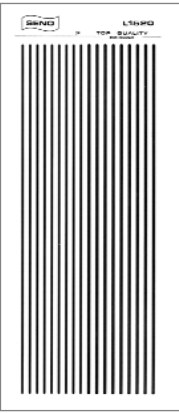

V0203

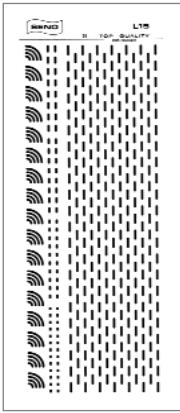

V0405

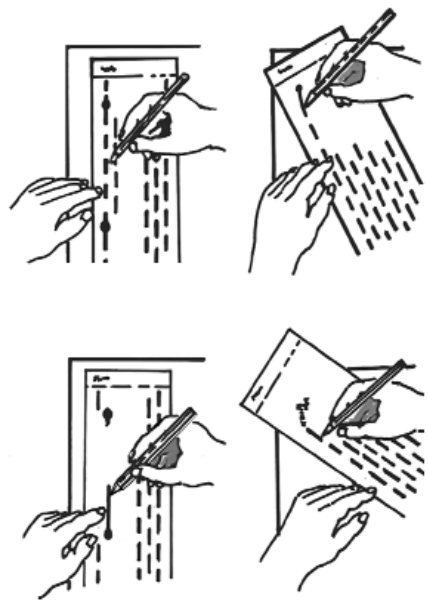

V3335

L1520

L15

Diagrams above:

The easy method to add unbroken tracks and curves using the L05, L10, & L15 transfers.

Order Code	
PC00022 (100-001)	V180 Assorted Pads
PC00023 (100-002)	V0203 Round Pads 1.9/0.45mm, 2.1/0.45mm
PC00024 (100-003)	V0405 Round Pads 2.5/0.45mm, 2.8/0.45mm
PC00025 (100-004)	V3335 DIL Pads
PC00027 (100-006)	L1520 Straight Tracks 1.5/2.0mm
PC00026 (100-009)	L15 Tracks and Curves 1.5mm
