PRODUCT #:	52150

OVERVIEW [SPECIFICATIONS](#)

Description for MiniMark™ Industrial Printer Tamper Evident Metallized Polyester

The MiniMark Tamper Evident Metallized Polyester (B-438) is designed to leave a "CHECKERBOARD" footprint when the label is removed. In addition, a "CHECKERBOARD" pattern will appear on the top surface of the label in order to prevent it from being reused. Recommended 24 hour room temperature dwell before removal for full tamper evident performance. The adhesive nature of this product does not allow for repositioning and requires minimal handling in order to prevent prematurely exposed CHECKERBOARD pattern. This item has 650 die-cut labels per roll

Use Brady black wax ribbon with (part #105031) this material
