MATERIAL:	Tough 5052 Anodized Aluminum Alloy
QTY/UOM:	5/Package
CATALOG #:	65970
PRODUCT #:	65970

OVERVIEW **SPECIFICATIONS**

Description for Labeled Lockout Hasps (Red)

Make sure your workers are safe by supplying labeled lockout hasps for all of their group lockout procedures. Constructed from tough 5052 anodized aluminum alloy with tamperproof locking tabs, they are impossible to remove while locks are still in place. Front and back of hasp contains write on surface that accepts pencil, pen or permanent marker (87052). Pen and pencil markings can be easily erased allowing for repeated use. Each hasp has 6 lock holes which are 5/16" diameter.
