The Milwaukee® Folding Jab Saw offers a tool free blade change to avoid downtime in the field and a blade that folds into the handle for easy storage. Complete with rubber over mold to increase comfort and reduce hand slippage, the new saw uses standard Sawzall® blades and includes a metal, wood and multi purpose blade for added customer value.

- (1) Folding Jab Saw
- (3) Recip Blades

- Tool Free Blade Change - Change Blades up to 10X Faster
- Folding Blade - Easier and safer storage
- Rubber Over Mold Grip - Increased Comfort
- Accepts All Sawzall Blades - Increased Versatility
- Includes 3 Blades - Increased Versatility and Added Value
