Tyra2 reflector series for Cree MPL series of LEDs

- Specially designed for XLamp MP-L EasyWhite series of LEDs.
- Special care taken to make a uniform visually pleasing illumination.
- Compact dimensions and easy mounting with positioning pins and good automotive quality adhesive tape.
- We advise customer to ensure the suitability and sufficiency of the bond in the end product. For example, mechanical stress, vibration and holes on the surface of the circuit board weaken the strength of the tape.
- Reflector is made of aluminum coated PC (120°C/248F) with protective laquer (110°C/230F)
- Please check fastening details from this link: (http://www.ledil.com/datasheets/DataSheet_TAPE.pdf)
