

Also brilliant in function:

The EVOLUTION highlights at a glance:

- 45 or 65 liters of storage volume
- extremely durable and impact resistant (= airworthy)
- PX-ABS plastic with fiberglass reinforced polyurethane backfoaming (LFI technology)
- 4-section telescopic extension made of powder-coated aluminium with extension height of 970 mm
- patented special trolley connection to the case allows rolling, even if the case is open with extended telescopic handle.
- rubberized and ball-bearing mounted rollers
- handle can be collapsed in the cover to use the case as a handcart, work surface or seat.

Copes every job!

A clever idea: Thanks to outstanding expertise, PARAT has recognized the advantages of the known long fiber injection (LFI) manufacturing process from the automobile industry. Here, the plastic PX-ABS is given backfoaming with **fiberglass-strengthened polyurethane**. This new production method makes the new EVOLUTION cases **extremely durable and impact resistant**, and they can also be transported on a plane without any problems. Because even hard blows or rough tossing around won't dent the new case model – the hard shell remains undamaged.

transport of additional cases

rubber-coated wheels with slide bearings

patented trolley connection

ergonomic handle recessed in the cover

EVOLUTION tool case

2.012.520.981

with wheels, with 3 drawers fold-out front wall, features:

- 1 cable holder in lid
- 3 extralarge and sturdy drawers (each approx. 420 x 146 x 95 mm)
- 3 tray inserts to subdivide the bottom drawer
- 1 document compartment
- 1 large stowage behind drawers (approx. 450 x 93 / 70 x 385 mm)

width 450 mm

depth 260 mm

height 385 mm

capacity approx. 45 litres

weight approx. 8.650 g

material PX-ABS, PU fiberglass reinfor.

colour black/silver

EVOLUTION tool case

2.012.530.981

with wheels, with push-in compartments semi-fold-out front wall, features:

- 1 cable holder in lid
- 1 middle wall and 2 removable tool boards with 61 push-in compartments
- 3 keep-safe compartments, 400 mm
- 1 document compartment
- 1 large stowage behind middle wall (approx. 450 x 93 / 70 x 385 mm)

width 450 mm

depth 260 mm

height 385 mm

capacity approx. 45 litres

weight approx. 7.130 g

material PX-ABS, PU fiberglass reinfor.

EVOLUTION tool case

2.012.535.981

with wheels, with CP-7 tool holder semi-fold-out front wall, features:

- 1 cable holder in lid
- 1 middle wall and 2 removable tool boards with 2 CP-7 tool holders, ø 26 mm
- 1 CP-7 tool holder, ø 15 mm
- 2 CP-7 tool holders, ø 11 mm
- 1 document compartment
- 1 large stowage behind middle wall (approx. 450 x 93 / 70 x 385 mm)

width 450 mm

depth 260 mm

height 385 mm

capacity approx. 45 litres

weight approx. 7.440 g

material PX-ABS, PU fiberglass reinfor.

EVOLUTION tool case

2.012.540.981

with wheels, with push-in compartments, front wall with 2 folding doors, equipment:

- 1 cable holder in lid
- 1 tray (approx. 430 x 198 / 174 x 163 / 94 mm)
- 3 removable tool boards with 52 push-in compartments
- 3 keep-safe compartments, 400 mm
- 1 document compartment
- 1 bottom tray (450 x 257 x 91 mm)

width 450 mm

depth 260 mm

height 550 mm

capacity approx. 65 litres

weight approx. 9.540 g

material PX-ABS, PU fiberglass reinfor.
