**Customer Acknowledgement/Responses**

All Customer responses must be sent via e-mail to PCNresponse@rfmd.com. When replying, please include the PCN number in subject line. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. After acknowledgement, lack of additional response prior to the planned implementation date constitutes acceptance of the change. An acceptance, concern, sample order request or a request for further information should be submitted to RFMD in a timely fashion, (i.e., customer should not wait to the end of the review period before responding). If the customer requires additional time to perform sample testing, beyond the stated planned implementation date, an extension must be negotiated with RFMD. Any contractual PCN agreements made with RFMD supersede these requirements.
