

FI KITS DEVELOPMENT KITS

1. Part Number: C2781-FI-X30HL-KITASSY-300MM

Consists of: 2x FI-X30HL
30x FI-XC3-1 crimped wires (white)end to end 300mm
1x Clear Plastic bag
1x General Description Label
1x RS Label if for RS Components

General Label description shown below

JAE EUROPE
Part No: C2781-FI-X30HL-KITASSY-300MM
Desc: 30way LVDS Development Kits
Kit Consists of 2 x FI-X30HL Crimp Housing – latch type
30x FI-XC3-1 pre-crimped wires both ends length 300mm colour white

2. Part Number:C2781-FI-X30H-KITASSY-300MM

Consists of: 2x FI-X30H
30x FI-XC3-1 crimped wires (white)end to end 300mm
1x Clear Plastic bag
1x General Description Label
1x RS Label if for RS Components

General Label description shown below

JAE EUROPE
Part No: C2781-FI-X30H-KITASSY-300MM
Desc: 30way LVDS Development Kits
Kit Consists of 2 x FI-X30H Crimp Housing – non latch type
30x FI-XC3-1 pre-crimped wires both ends length 300mm colour white

3. Part Number: C2781-FI-RE41HL-KITASSY-300MM

Consists of: 2x FI-RE41HL

- 41x FI-RC3-1A crimped wires(white) end to end 300mm
- 41x FI-RC3-1B crimped wires (red) end to end 300mm
- 1x Clear Plastic bag
- 1x General Description Label
- 1x RS Label if for RS Components

General Label description shown below

JAE EUROPE
Part No: C2781-FI-RE41HL-KITASSY-300MM
Desc: 41way LVDS Development Kits
Kit Consists of 2 x FI-RE41HL Crimp Housing
21x FI-RC3-1A pre-crimped wires both ends length 300mm colour white
21x FI-RC3-1B pre-crimped wires both ends length 300mm colour red

4. Part Number: C2781-FI-RE51HL-KITASSY-300MM

Consists of: 2x FI-RE51HL

- 51 x FI-RC3-1A crimped wires(white) end to end 300mm
- 51 x FI-RC3-1B crimped wires (red) end to end 300mm
- 1x Clear Plastic bag
- 1x General Description Label
- 1x RS Label if for RS Components

General Label description shown below

JAE EUROPE
Part No: C2781-FI-RE51HL-KITASSY-300MM
Desc: 51way LVDS Development Kits
Kit Consists of 2 x FI-RE51HL Crimp Housing
26x FI-RC3-1A pre-crimped wires both ends length 300mm colour white
26x FI-RC3-1B pre-crimped wires both ends length 300mm colour red

5. Part Number: C2781-FI-S20S-KITASSY-300MM

Consists of: 2x FI-S20S

20x FI-C3-1A crimped wires(white) end to end 300mm

1x Clear Plastic bag

1x General Description Label

1x RS Label if for RS Components

General Label description shown below

JAE EUROPE

Part No: C2781-FI-S20-KITASSY-300MM

Desc: 20way LVDS Development Kits

Kit Consists of 2 x FI-S20S Crimp Housing

20x FI-C3-1A pre-crimped wires both ends length 300mm

6. Part Number: C2781-FI-W31S-KITASSY-300MM

Consists of: 2x FI-W31S

31 x FI-C3-1A crimped wires(white) end to end 300mm

1x Clear Plastic bag

1x General Description Label

1x RS Label if for RS Components

General Label description shown below

JAE EUROPE

Part No: C2781-FI-W31S-KITASSY-300MM

Desc: 31way LVDS Development Kits

Kit Consists of 2 x FI-W31S Crimp Housing

31x FI-C3-1A pre-crimped wires both ends length 300mm
