Sleek and delicious

Stylish metallic looking design

It's sleek and comes in delicious colours, and it does everything you need in style. Personalise the colour of the Live Tiles to match your mood, download loads of apps and games, stay in touch any way you want, or add colourful accessories like covers and headphones to really make it yours.

One touch to your friends

The quickest way to be in touch

The Nokia Lumia 610 makes staying in touch effortless. See updates instantly on the Live Tiles. Find everyone in one place with the People Hub - all your Facebook, LinkedIn, Twitter, and email contacts are there and easy to reach. And create Groups for friends and family, then pin them to the Start screen to see what everyone's up to.

Fast browsing

Surf and search

Internet Explorer 9 makes mobile browsing fast. You can check the web for news, weather, fashion, sports, gossip, Wikipedia, and more. YouTube and streaming video is fast and smooth too. And whenever you want to search for something, Bing is just a touch away.

Apps for everything

Discover things to do and places to go

The Nokia Lumia 610 comes with great free extras. There's Nokia Drive for turn-by-turn navigation and Nokia Maps to find places nearby and around the world. There's Nokia Transport* to show you bus, train, and metro stops, routes, and times. And there's App Highlights too, to keep you up-to-date with the newest and best apps and games.

Stay entertained

Music and games

For head bobbing, foot tapping fun take your music collection with you, tune in to FM Radio, or watch music videos on YouTube using the fast internet connection. If you need more action, there's Xbox LIVE and loads of games to download for free or to try and buy from Marketplace. And you can create an Xbox profile with a 3D avatar too.

*Availability may vary based on market.
