Lead
Firewire IEEE 1394 4-6

pro-**SIGNAL**

Features:

- IEEE1394 High speed serial bus standard
- Plug and play
- >400 Mbps data transmission

Description:

IEEE1394 "Firewire" cable 6p male to 4p male
For high speed data transfer PC to PC

Benefits:

- World standard for fast data transfer
- No need to go through complicated set-up procedures
- Ultra fast data transfer for big files (EPS/TIFF)

Specifications:

Length : 1.8m
Cable conductor   : 32AWG 2PR + Pex2 + AB 93%
Connector   : 6 pin male to 4 pin male
Shielding   : Aluminium Foil
Colour   : BE Blue

Part Number Table

Description	Part Number
Lead, Firewire IEEE1394 4 to 6, 1.8M	CL62002X
