

Features:

- It quickly removes self-adhesive labels and stickers
- It rapidly softens the adhesive, allowing the label to be quickly and easily removed without the need for scraping and scratching

Applications

Ideal for use on all types of electrical and electronic equipment, and all types of non-absorbent surfaces, including: photocopies, fax machines, computers, printers, cabinets, shelves and packaging crates. It can also be used as a cleaning solvent for removing some ink residues

Directions

Apply directly onto the label or sticker to be removed and wipe away any over spray. Leave for 2 - 3 mins and then peel the label away. If required wipe away any remaining residues using a small amount of it on a clean cloth

Note

May affect delicate plastics. Always test a small inconspicuous area before general use

Technical Information

Appearance	Clear, colourless liquid
Colour	Orange
SG at 25°C	0.808
Solubility	Soluble in solvents, insoluble in water
Flammability	Classified as extremely flammable under CHIP regulations
Flashpoint	Not applicable in sealed aerosol

Storage

The product may be stored at normal room temperatures and has a shelf life of not less than 36 months with correct storage. Aerosols should always be stored below 50°C, away from direct heat and naked flames

Part Number Table

Description	Part Number
Label Remover, 200 ml, Aerosol	PPC108
