- High Definition digital satellite DVB-S2.
- Digital Satellite DVB-S.
- Freeview digital terrestrial DVB-T.
- Analogue PAL/SECAM TV.

Record your personal videos (using the A/V inputs) to disk in MPEG-2 format.

Schedule your TV recordings with WinTV v7 HD's built-in scheduler.

Listen and record digital radio* in original quality MP2.

Includes Hauppauge remote control for easy operation of all WinTV v7 HD's functions.

High Definition Quad-mode TV tuner for your PC! For High Definition DVB-S2 Satellite, DVB-S, DVB-T and Analogue television.

WinTV-HVR-4400: the best quad-mode TV receiver for your PC! WinTV-HVR-4400 is a four-in-one TV tuner which can receive four different television formats: analogue PAL/SECAM TV, Freeview digital terrestrial DVB-T, digital satellite DVB-S and High Definition digital DVB-S2. Watch and record analogue TV, digital Freeview and High Definition digital satellite TV, all from one PCI-e board!

Digital TV now comes in High Definition. High Definition DVB-S2 satellite TV brings the ultimate TV experience to the PC screen. HD gives you the best quality video and CD quality audio. Record movies in the full HD H.264 format to your PC's hard disk! But if you cannot currently receive high definition digital satellite TV, the WinTV-HVR-4400 can still be used to watch and record analogue TV, Freeview or standard free-to-air digital satellite TV.

Freeview DVB-T digital terrestrial TV & radio on your PC! Watch more than 50 Freeview digital terrestrial TV broadcasts and digital terrestrial radio on your PC, with a simple rooftop aerial*.

Analogue PAL/SECAM TV on your PC screen. Connect WinTV-HVR-4400 to a rooftop aerial and you can watch and record TV programmes to disk. Record your TV shows (or your home videos) using 'Good, Better or Best' MPEG-2 compression. You can also receive analogue teletext.

Digital Video Recorder: Record analogue, DVB-T or DVB-S TV in high quality MPEG-2, or high definition digital TV in H.264! Use WinTV v7 HD's TV scheduler to automatically record your favourite TV shows, on a daily, weekly or once only schedule. Or use the built in Electronic Program Guide for digital TV to have an overview of all upcoming programmes!

Hauppauge's remote control makes the WinTV-HVR-4400 easy to use - Control all the Media Center's functions of WinTV v7 HD with the ergonomic remote control. Change Channels, adjust audio volume, start recordings, play music, start a slide show, all from the comfort of your living room couch!
