

92 - SWIVEL HEAD PIN VISE

Item Id: 92

92

Product Overview

The Swivel Head Pin Vise provides fingertip control of small tools when working with jewelry, electronics or models. The double-ended collet offers two distinct sizes for holding a variety of drill bits, reamers and taps. For added control, this Pin Vise has been design with a knurled aluminum body for a sure grip while the swivel head turns smoothly against your palm.

Features & Benefits :

- An exceptional pin vise for precise workon models, instruments and jewelry
- Two double end collets made of hardened toolsteel
- Has large freewheeling swivel head
- Collets stored in handle
