# Rechargeable NIMH Hybrid™ BATTERY SYSTEM™

with  
ELECTRON RETENTION TECHNOLOGY™

## Hybrid™ Rechargeables

New Rayovac® Hybrid™ rechargeable batteries come pre-charged and ready to use. This new battery technology also takes NiMH rechargeables to a new level. While all batteries self-discharge over time, Rayovac® Hybrid™ NiMH batteries hold their charge better than many traditional NiMH batteries, while not in use. This means that customers can now charge their batteries and know that when they need them, Hybrid™ batteries will be ready to go without having to go into the charger again. Lasting longer in high-drain devices than regular alkaline, and being able to recharge over and over again mean convenience and value to your customers!

### HYBRID™ CHARGERS

PS32-2B	4 Position Charger w/2 Hybrid™ AA	<b>NEW!</b>
PS32-4BW	4 Position Charger w/2 Hybrid™ AA & 2 HYBRID™ AAA	<b>NEW!</b>
PS32-8BVP	4 Position Charger w/6 Hybrid™ AA & 2 HYBRID™ AAA	<b>NEW!</b>

### HYBRID™ RECHARGEABLE BATTERIES

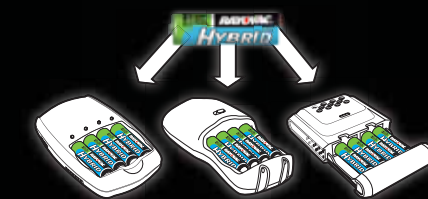

AA	LD715-4	Low Discharge NiMH Carded 4 Pack	<b>NEW!</b>
AAA	LD724-4	Low Discharge NiMH Carded 4 Pack	<b>NEW!</b>

HYBRID™ combines the best of both worlds.

1 HYBRID™ battery equals up to 1,500 alkaline batteries in digital cameras.

HYBRID™ batteries work in all chargers.

90 DAY LEAD TIME

# Rechargeables

Rayovac® offers your customers rechargeable battery and charger innovations. From auto chargers you can use in your car to chargers for all battery cell sizes, Rayovac® provides your customers with a wide range of NiMH batteries and chargers that fit every need. Powering high drain digital devices is the perfect use for Rayovac® NiMH rechargeable batteries. Customers get a great value recharging batteries, and keep disposable batteries out of the landfills.

## Roughneck® Lights

True to its name, the Roughneck® is the toughest, most durable flashlight Rayovac® makes. With a shock absorbing bulb system, it withstands a 7-10 foot drop test. Has spot-to-flood focus capabilities and is water resistant.

The SP8D Area Lantern quickly provides light in the dark with dual fluorescent bulbs and 2 brightness settings that light a 25-foot radius, all inside an impact and water resistant housing.

Rayovac® 3-in-1 SPHLTLED-B has been a best seller. Three light settings featuring both a super bright long range krypton bulb and LED options that include a red LED "Night Vision" and a white LED for close-in work.

## Rayovac® Delivery Specifications and Terms

---

### PAYMENT TERMS

---

Net 30 days date of invoice.

### DELIVERY TERMS

---

#### General

- All orders are accepted subject to billing at the prices in effect at the time of shipment.
- All shipments are made via Spectrum Brands selected carriers and mode.

#### Returns

- Written authorization and Returned Goods Authorization (RGA) number must be obtained prior to shipment and clearly marked on bill of lading. All returns shipped without approved RGA number will be refused.
- All returns to be returned via freight prepaid unless there is written authorization to do otherwise via the RGA form. All returns shipped collect will result in freight charges being deducted from credit on product returned.
- No obsolete merchandise will be accepted at our warehouse.

### BROKEN PACKAGE POLICY

---

Orders for less than a full case quantity will not be accepted.

### MINIMUM ORDER AND FREIGHT PREPAYMENT REQUIREMENTS

---

All Spectrum Brands Case Goods Products — Per order, all Spectrum Brands case goods products must be ordered in standard case quantities for minimum order and freight prepaid requirement purposes. Shipments of \$500.00 invoice or more are sold freight prepaid within the continental United States. Shipments of less than \$500.00 invoice are sold with one of the following options:

1. Increase the order value to meet the \$500.00 invoice minimum;
2. Ship the order collect; or
3. Add a flat handling charge of \$75.00 plus the freight charge added to the invoice amount.

### FREIGHT CLAIMS FOR SHORTAGES, DAMAGES AND NONDELIVERY

---

- All freight claims for any shipment involving shortage, damage, or concealed shortage **must be made within 30 days of the date of delivery.**
- Concealed shortages must also be reported to the **carrier that affected the delivery within two weeks of the original delivery date.**
- Claims for total nondelivery must be made within 60 days of the invoice date. All claims must be in writing with copies of carrier delivery attached for verification. Failure to file claims in the time required will be conclusive evidence that the goods arrived in good condition and correct quantities as indicated on the invoice. Acceptance of delivery of the goods shall constitute a waiver of any claim for late delivery.

**Failure to comply with the above time frames will result in claim denial.**

**Supersedes and cancels all previous price schedules.**

Prices subject to change without notice. Prices shown do not include sales tax.
