Overview

Support

Advanced "no-roll" corded push-to-fit foam earplugs feature paddle-style grips to make fitting easier than ever. Unique foam formula allows earplug insertion without rolling. Foam tips stay clean, even when your hands are dirty. Slow recovery foam inserts easily, then seals the earcanal for comfortable hearing protection.

- Reusable Pillow Pack helps keep earplugs clean when they are not being worn.
- All Blue Grips - Yellow Foam
- Noise Reduction Rating (NRR)*: 25 dB. CSA Class AL.
- Test compatible with 3M™ E-A-Rfit™ Validation System. *The NRR may overestimate the hearing protection provided during typical use. 3M recommends reducing the NRR by 50% for estimating the amount of noise reduction provided. 3M is Leading the Advancement of Hearing Conservation™.

Specifications

Color	Yellow
Cord Type	Vinyl
Dielectric	Yes
Hearing Protection Style	Push-to-Fit
Material	Polyurethane
Mission Type	Aircraft, Ships, Vehicles
Noise Reduction Rating	25 Decibel
