

DisplayPort to DVI Active Adapter

StarTech ID: DP2DVIS

The DP2DVIS DisplayPort to DVI Active Single Link adapter lets you connect your DisplayPort video source (desktop PC, laptop, etc.) to a DVI-D monitor, projector or display, including televisions and Apple Cinema Display HD, eliminating the expense of having to upgrade to a DisplayPort-capable monitor.

Unlike passive adapters, this DP to DVI converter offers an active conversion for use with any DisplayPort output - ideal for graphics cards that are not capable of outputting multi-mode DP++ signals (e.g. ATI Eyefinity). Supporting resolutions up to 1920x1200, this compact device provides a simple solution for converting DisplayPort output for compatibility with existing DVI monitors, televisions or projectors.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Ideal for digital entertainment centers, home offices, business conference rooms and trade show displays
- Keep your existing DVI monitor to be used with your new DisplayPort computer or source
- Great for using your DVI monitor as a secondary display
- Perfect for larger format screens that use high DVI resolutions
- Adapt from graphics cards that are not capable of outputting DP++ (multi-mode) signals

Features

- Supports resolutions up to 1920x1200
- Supported on any DVI-D display including televisions and Apple Cinema Display HD
- Latching DisplayPort connector
- Compliant with DisplayPort 1.1a specifications
- Supports HDCP 1.3
- Works with video cards not capable of outputting DP++ (multi-mode) signals

Technical Specifications

Warranty	2 Years
Converter Type	Active
Audio	No
Fire Rating	LSZH Rated (Low Smoke Zero Halogen)
Industry Standards	HDCP 1.3 DisplayPort 1.1a DDWG 1.0
Output Signal	DVI-D (DVI Digital)
Connector A	1 - DisplayPort (20 pin) Latching Male
Connector B	1 - DVI-D (25 pin) Female
Maximum Digital Resolutions	1920x1200
Wide Screen Supported	Yes
Color	Black
Product Length	200 mm [7.9 in]
Product Width	44 mm [1.7 in]
Product Height	20 mm [0.8 in]
Product Weight	70 g [2.5 oz]
Operating Temperature	0°C to 70°C (32°F to 158°F)
Storage Temperature	0°C to 70°C (32°F to 158°F)
Shipping (Package) Weight	0.1 kg [0.2 lb]
Included in Package	1 - DisplayPort to DVI Adapter
