

Ideal 35-465 Solid Barrel Crimp Tool, 20-26AWG D-Subminiature

D-Subminiature Commercial Crimp Tool

- Meets Mil-Spec
- 4-Indents

This lightweight (8 oz.) and compact (6-1/2" lg.) tool crimps solid D-subminiature contacts for RS232 interface connectors. Full cycle ratchet delivers sure, exact 4-way indent crimp to meet MSS22520. A built-in locator assures precise positioning of pin or socket prior to crimping. Crimper is spring loaded and has cushion grips.
