

Data sheet

Weller part no. T005020029.

Description. All - purpose soldering gun type 8100UC with built in illumination, fitted with copper soldering tip type 7135.

Rating. 100W.

Voltage. 230V 50Hz.

Mains lead . Fitted with European mains plug

Operation. Trigger switch.

Heat up time. 7 seconds .

Weight. 1300 g.

Consumables.

Solder tip. Weller part no. T0054000299, type 7135.

Cutting tip. Weller part no. T0054000199, type 6110.

Smoothing tip. Weller part no. T0054000399, type 6120.
