

Data sheet

Weller part no. T0053220399

Description: Temperature controlled solder station type WTCP51

Comprising :

Power unit type P51 part no T0053222399

Soldering iron type TCPS part noT0053210599 fitted with PT7 – LT adapter and LTM chisel bit

Safety rest type KH20 part no. T0051502099

Supply req. 230V 50Hz

Mains lead. Fitted with UK plug

Rating. 50W

Operating temperature. Selected by PT – LT adapter

Temperature options. PT6 – LT(315C), PT- LT (370C), PT8 – LT (430C), PT9 – LT (480C)

Temperature tolerance. +/- 10% of max temp.

Mains lead. Fitted with UK plug

Consumables. LT series bits
