

# Spring clamps

## Your benefits at a glance:

### 1 Swivelling clamping arm

The swivelling super polyamide clamping arm ensures optimum handling. It is light and can be quickly and infinitely adjusted up to max. 100 mm.

### 2 Ergonomic 2-component handle

The ergonomically shaped 2-component handle is fitted with soft material inserts. This makes the handle pleasantly soft, as well as particularly resistant to slipping.

### 3 Softpads

Particularly sensitive workpieces are effectively protected thanks to the "softpads". For all-round gentle clamping.
