

Clip-On Magnifier

The Donegan Clip-On Binocular Magnifier is ideal for small tasks that require hands to be free. Easily clips onto most eyeglass frames or can be used with comfortable binocular frame.

- Dual prismatic lens system designed to ease eye strain by convergence on focal point
- Lightweight frame easily clips onto most eyeglasses or can be used with convenient binocular frame included
- Ideal for reading fine print, sewing, art projects, fly tying, etc.
- Easily flips up for normal viewing and down when magnification is preferred
- Relieves eye strain and increases accuracy
- Hands-free magnification for many small tasks
