

Traveler 7000

2.4GHz Wireless Notebook Mouse

Genius introduces a new wireless notebook optical mouse - Traveler 7000. Streamline and handy to use, it improves your daily laptop working efficiency and is suitable for either hand.

Featuring a precision 1200 dpi optical engine, Traveler 7000 provides great cursor movement control for browsing documents or Internet pages. The Pico receiver is ideal because of its mini size, so you can leave it your notebook when you're moving around the office. To save on battery purchases, Traveler 7000 uses one AAA battery and a power switch is added to extend the battery life.

Traveler 7000 is available in four fashion colors – Diamond Black, Sky Blue, Sweet Peach, or Banana Yellow. For more information, contact your sales representatives.

2.4GHz Technology

Power saving;
anti-interference

Plug & forget receiver
