

AIR STORE

Personal Cloud Storage

32GB

by **Storage** Options

- Connect directly to your data from PC, tablet or smartphone
- Access photos, listen to music, and playback video straight from built-in memory via WiFi or USB
- Share content with up to 3 people and access external Internet simultaneously via router function
- Apps for Apple® and Android™ allow you access your files with ease
- Eliminates the need for large, expensive on board storage in your phone or tablet
- Charges your mobile devices via USB connection
- Acts as a portable travel router

Box Contents - 1x AirStore drive, 1x UK Power adapter,
1x USB to Ethernet cable, 1x Micro USB cable and 1x Quick start guide
