MINI BLUETOOTH® SPEAKER

MXSP-BT01 Mini Bluetooth Speaker

This Spring, Maxell Europe launches the new MXSP-BT01 Mini-Bluetooth Wireless Speaker! The MXSB-BT01 may be small, but its 2w output packs a punch, with Bluetooth 3.0 built in. This completely portable speaker is perfect for travelling use for business or leisure, including call answering function with a built-in microphone. The MXSP-BT01 also comes equipped with a rechargeable battery built-in, boasting 11hrs life, and a USB charging cable. Available in 4 striking colours the MXSP-BT01 is sure to be noticed.
