

2-Piece Raceway Internal Elbow, 800 Series (1 5/16" W x 7/16" D)

MFG Part Number: 36878

Description

2-Piece Raceway Internal Elbow, 800 Series (1 5/16" W x 7/16" D)

Quick Facts

- For internal, right-angle turns in a corner of a room, add one of these elbows to your raceway system.
- Nonmetallic fittings for making sharp-angle bends between raceway segments that meet in an inside corner.
- Rugged PVC.
- Guaranteed for life!
