

# 2-Piece Raceway 90° Flat Elbow, 2300 Series (2 1/4" W x 11/16" D)

---

MFG Part Number: 36891

## Description

2-Piece Raceway 90° Flat Elbow, 2300 Series (2 1/4" W x 11/16" D)

For flat 90° turns on your raceway track.

## Quick Facts

- For right-angle turns on same surface, add one of these elbows to your raceway system.
- Nonmetallic fittings for making sharp-angle bends at the junction of two raceway segments.
- Rugged PVC.
- Guaranteed for life!
