The perfect tool for any job

Screwty® is the ideal, all-purpose tool for tightening all common sensor and actuator cables. Even difficult-to-reach round plugs are accessible using the Screwty®. A simple turning movement tightens and loosens the connectors without the need for excessive force. The Screwty® is a unique and global solution since it fits with most cables and plugs from other vendors (over 90 %). The Screwty® consists of a handle and a conventional 1/4" adapter. Thus it can be used for all sizes: for M12 and M8 round plugs, for M12F and M8F variants, and for customisable plugs and sockets.

General ordering data

Type	Screwty-M8-DM
Order No.	1900011000
Version	Tools, Cable gland tool for moulded M8 cables
GTIN (EAN)	4032248436811
Qty.	1 pc(s).
