

BLUETOOTH™ PC CARD

ENJOY FREEDOM FROM CABLES WITH THE NEXT GREAT SOLUTION FROM BELKIN

Belkin brings you *Bluetooth* technology, the fast and simple way to wirelessly connect your computing devices together, eliminating the need for cables and physical connections between electronic devices. Use the *Bluetooth* PC Card from Belkin to create cable-free connections between your notebook computer or PC and *Bluetooth* devices. The PC Card enables the user to effortlessly transfer data to other *Bluetooth* devices—such as desktop or notebook computers, input devices, PDAs, scanners, printers and even mobile phones—without wires. Connect with up to seven other *Bluetooth* devices at a time.

Using and installing the *Bluetooth* PC Card from Belkin is easy. Our product allows ad-hoc networking, which gives you the ability to exchange data without having to configure a network. This enables you to create an instant dial-up network connection to a phone enabled with *Bluetooth* technology for an instant Internet connection, wirelessly send a file to printers enabled with *Bluetooth* technology and exchange data at speeds of up to 721Kbps. Belkin *Bluetooth* technology also provides you with built-in security, using up to 128-bit encryption and authentication, allowing you to securely access any *Bluetooth* device without wires.

BENEFITS:

- Adds *Bluetooth* wireless technology to your notebook computer, eliminating the necessity for cable connections
- Works with any device enabled with *Bluetooth* v1.1 technology
- Offers built-in security using 128-bit encryption and authentication, allowing you to securely access any *Bluetooth* device without wires
- Installs easily with Plug-and-Play convenience
- Allows you to work at distances of up to 10 metres*
- Provides effortless wireless communication among computing devices and peripherals through user-friendly software
- Keeps your notebook batteries running longer (works with low-power consumption)
- Packs and travels for a convenient mobile solution
- Supports Microsoft® Windows® 98 SE, Me, 2000 and XP

PACKAGE INCLUDES:

- *Bluetooth* PC Card
- CD-ROM
- User Manual
- Quick Installation Guide

*10m range is dependent upon environment, number of users, and other wireless devices within immediate proximity.

System Requirements:

- PC-compatible computer with one free PC card slot
- Windows 98 SE, Me, 2000 or XP
