

Data sheet

Weller part no.	T0053292399
Description.	Solder station type WSM 1
Comprises	switch mode power supply, integral micro soldering iron, RT3 tip, safety rest
Rating	40W at 12V
Supply voltage	100 to 230V
Heat up time	15 sec
Temperature range	100C to 400C
Set temperatures	2 operator selected temperatures can be selected
Temperature set	on touch screen
Stop / go function	automatic
Display	digital LCD
ESD safe	
Uses RT series tips
