TECH-RESCUE KIT (MINI)

Product Code:	TRK000MIN
Packaging:	Foil sealed pouch
Description:	Emergency technology rescue kit Dry out wet technology fast 1 x Dry-bag with drying agent

This kit removes moisture from electronic devices, quickly and safely by following some very simple but effective instructions. It acts as an emergency recovery kit for mobile phones, mini tablets, cameras, MP3 players and any other electronic or battery operated device.

SELLING POINTS

- Instructions are simple making this emergency kit easy to use.
- All offices and homes should have a kit just in case any electronic or battery operated device gets wet.
- The dry bag inside the pouch will fit smartphones, MP3 Players, small digital cameras, watches, for larger items use the Tech-Rescue Kit MAXI
- If you've dropped your device into water just by following a few simple instructions this kit will draw-out the moisture.
- The user should remove the power source (battery from phone as example) and excess moisture quickly (dab with dry cloth) to have a chance of saving the device and the data.
- Bag Size: 175mm w x 240mm h

Disclaimer: This product has been rigorously tested and has shown to successfully restore electronic devices that have been subjected to water and humidity damage. Due to the diversity of circumstance, no guarantee of recovery from damage can be offered. Buy opening the pack you will be deemed to have accepted this disclaimer.
