

Quick Charge Soldering Iron Kit – Boxed (#7750)

Quick Charge Soldering Iron Kit – Boxed (#7750)

7750 Series Soldering Irons

Our best seller! The Quick Charge is world's number one rechargeable soldering iron kit designed with the professional in mind.

Includes: cordless rechargeable Quick Charge soldering iron, charging stand, #7545 fine tip, #7546 heavy-duty tip, battery and instructions.

MODEL #7750

- Fully recharges in 3.5 to 4.0 hours
- Partially charged battery to full capacity in one to two hours
- Up to 125 soldering joints per charge during continuous use
- Withstands high-rate charging without damage

Note: The ONLY difference between the #7740 and the #7750 is the packaging. The #7740 is packaged in a clear clam pack and the #7750 is boxed.
