Product Description

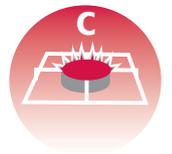

This multi-purpose 1kg fire extinguisher is designed for use on small domestic fires before they get out of control and without taking unnecessary risks. A fire extinguisher's rating is the measure of its fire fighting capability, and for domestic purposes, an ABC-rated extinguisher is recommended because it can be used on most types of fire common to the home or vehicle.

Fire Ratings;

A = wood, paper, textiles

B = Petrol, oils and paints

C = flammable gases
