

---

## DALI magic USB interface | Components

---

### Areas of application

- Diagnostics & configuration tool for DALI and 3DIM applications

---

### DALI wizard software features (included)

- Intuitive configuration of up to 64 DALI electronic control gears
- Offline / Online configuration of DALI installations
- “DALI-Spy“-functionality for recording DALI line data flow

---

### 3DIM Tool software features

- Programming of OSRAM ECG with 3DIM functionality
- Visualization of customized AstroDIM and StepDIM operation

---

### Product features

- Standard USB interface
- Central control, analysis and programming of DALI systems via Windows PC
- Independent of PC: Control device for switching & dimming DALI lighting systems

---

## Technical data

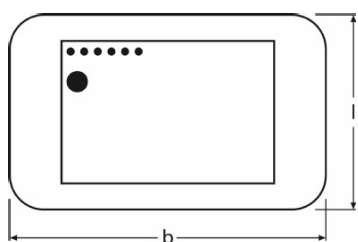

---

### Electrical data

Nominal voltage	220...240 V
Mains frequency	50...60 Hz
System wattage	7 W

### Dimensions & weight

---

---

### Product line drawing

Length	79.0 mm
Width	120.0 mm
Height	28.0 mm
Product weight	0.37 g

### Colors & materials

Product color	White
---------------	-------

### Capabilities

Dimming interface	DALI
-------------------	------

### Certificates & standards

Type of protection	IP20
--------------------	------

---

## Download Data

---

File	
	Product Family Datasheet

---

## Product datasheet

---

	Data sheet for product families OSRAM QT <i>i</i> (DALI)...DIM
	Brochures Non-system-specific components brochure
	Brochures LMS 3 DIM Flyer (GB)
	Brochures 3DIM - controll gears - Reliable, durable and efficient (G)
	Brochures 3DIM Application Guide (GB)
	Declarations of conformity Declaration of conformity DALI magic
	Installation/Operation notice Technical instruction
	CAD data 3-dim DALI MAGIC
	Product movie 3DIM Astro, StepDIM, DALI Video
